

Calvary Classical School

Est. 1995

June 2017

Dear Parents and Kindergarteners,

Welcome to a new and exciting year!

After two years away from the awesome K5 classroom, I am looking forward to being back in the place I love with the students who feed my passion for learning. K5 is such a wonderful year of discovery. The children grow so much during the year, and it is my pleasure to watch them mature and encourage their enthusiasm for learning. My goals are to daily share the love of Christ through all of our curriculum and interactions and to build a strong home/school connection. I am here to serve you as you educate your child.

During the summer, you will be notified to come to the classroom for an individual visit and kindergarten readiness test. This evaluation helps me to see what kind of skills your child has in place as he/she enters the class. But more importantly, your child has the opportunity to meet me, become familiar with the classroom setting, and, hopefully, be a little less nervous about what will happen during the first days of school. It is a time to encourage the child one-on-one and answer any questions you have about the program.

The school office will be calling you mid-summer to schedule a time for this visit. I am available at your convenience, day or evening, and the meeting takes about 45 minutes.

Parents often ask what they can do to best prepare their child for kindergarten. The answer—read! Many important skills can be developed as you share a book and answer your child's questions. Enjoy that precious daily time together.

May God give you a blessed summer of rest and time with family time. Please feel free to contact me during the summer months if you have any questions or concerns.

Sincerely,

Linda Sawanowich
Kindergarten Teacher
